## Grace Village PVO Perry Volunteer Outreach

Grace Village is a 24 unit women's homeless shelter that not only offers food and shelter, but also offers 90 to 120 days of refuge from the crises of life. During the stay at Grace Village, life skills training and an atmosphere of spiritual encouragement will strengthen the women and prepare them for a successful move back into the community.

Please contact us at any of the following numbers for additional information or to begin the application process:
